PIANO MASTERCLASS

Join this public lesson, which provides a learning opportunity for the performer and the observers.

After a performer has played the work, Yumeki will offer guidance to improve the performance. This is a rare opportunity to learn from an international artist, and enjoy music-making.

The masterclasses will also benefit observers who may not wish to perform at this point in time, but ready to learn and be inspired for their performance in the future.

Follow this link to register for the masterclass as a performer, or an observer.
